4	I Plat	40*49'19" (40*49.32')	111*29'24" (111*29.40')	7680'	Pine Meadow Rd.	Gale	SS-138-B
5	Lower Forest Meadow	40*47'29" (40*47.48')	111*28'55" (111*28.92')	7170'	Lower Forest Meadow Rd. uphill from levee	Trachman	SS-145-R-2

Recent experience has been that winter access by ground ambulance is very limited in this neighborhood. The neighborhood C.E.R.T. (Citizens Emergency Response) team, in conjunction with Summit County EMS and Air-Med has scouted these LZs as likely usable for winter landings. Each LZ is appropriately sized, and is accessible to a maintained winter road for pt. access.

See accompanying map for road locations.
