 Attention: Diana Ludwig
 2210 S. Highway 40, Suite B
 Heber City, UT 84032

Call (435) 671-9088 if you have any questions about this form or what work you can count as “IN-KIND” (sweat-equity) work around your property or home. If you hired someone to remove dead trees or reduce the fuel load on your property, please save the receipt and send us a copy so you can use it as “IN-KIND” expenses. This will count towards the grant in your community. Federal grant money needs to be “matched” by work performed by land/home owners.
